

# 2007 AYSO Coach Evaluation Questionnaire

Chappaqua AYSO strives to improve the quality of the program we offer. For example, we offer various forms of training for our coaches, including clinics and certification courses designed and run by AYSO. We appreciate parents/guardians of players taking a few minutes to complete this questionnaire to assist us in evaluating our coaches.

The AYSO philosophy consists of 5 major tenets: everyone plays, balanced teams, open registration, positive coaching and sportsmanship.

1. **Everyone plays.** Each player must have the opportunity to play at least half of each game. We encourage coaches to provide roughly equal playing time for all players, particularly at the younger age levels. Check any applicable: my child's coach:
  - Always allocated playing time fairly;
  - Usually allocated playing time fairly;
  - Often favored particular players with more playing time; or
  - Did not usually follow the AYSO requirement that each player play at least one-half of each game.
  
2. **Positive coaching.** Coaches should strive to provide positive feedback and encouragement to players, even while instructing or correcting improper technique. Coaches should not yell at, berate or embarrass players. My child's coach exhibited positive coaching (check one):
  - always;
  - usually;
  - sometimes;
  - rarely; or
  - never.
  
3. **Sportsmanship.** My child's coach displayed and instructed good sportsmanship (check one):
  - always;
  - usually;
  - sometimes;
  - rarely; or
  - never.
  
4. My child's team (check one):
  - won almost every game;
  - won more games than they lost;
  - had an approximately even record;
  - lost more games than they won; or
  - lost almost every game.
