

Area 3/T Coach Super Camps General Requirements & Information:

1. To minimize course check-in delays, it is extremely important to get all volunteers signed up in advance in eAYSO so we can insure we have enough space and course supplies for them.

Your volunteers should sign up now for the courses in eAYSO.org using MyeAYSO Course Signup and the course roster numbers above after completing and submitting their eAYSO Profile and Volunteer Application if they have not already done so. Otherwise, you must sign them up using eAYSO Lookup -> Course -> Course Signup. If a volunteer does not have an eAYSO application or registered record, use the "Add new volunteer" button to get them on the roster.

2. Please make sure your coaches understand that to earn credit for a course, they must plan to arrive 30 minutes early to find parking, check-in for their course, get to the classroom on time, attend the entire course and pass a test with at least 70% correct answers at the end of each course. No exceptions. Those arriving late and/or leaving early are welcome to stay, participate and get whatever they can from a course for time they do attend, but not course credit.

3. Safe Haven Coach or the new "AYSO's Safe Haven" course and age appropriate coach training courses for the coming Fall season are required by AYSO for all head coaches and assistant coaches. "AYSO's Safe Haven" which has been completely revised to address current topics such as bullying, concussions and more is recommended as an update for all coaches who attended the old Safe Haven Coach course.

4. Age appropriate coach training for all U6, U8, U10 and U12 head coaches and assistant coaches is mandated by the AYSO National Board of Directors. U14/Intermediate Coach training is mandated for the Fall 2014 season.

5. Courses except AYSO's Safe Haven and Coach Administrator Training include fieldwork. Coaches and their team player(s) should bring an appropriate size soccer ball (#5 for coaches), shin guards, turf shoes or cleats, dry gym shoes with clean soles in case we have to use the school gym, sun protection, paper, pencils and smiles.

6. The success of the Advanced Coach and Intermediate Coach courses is dependent on having their player registrations in to me by Friday, August 9, from the coaches signed up for these courses and/or their regions to provide the minimum numbers of players needed for these courses at the indicated session times listed with each course. The first to contact ahongell@optonline.net with the number of players they plan to have at the field clinic sessions will get the available spots. Players may participate in more than one group session. Otherwise, a course without the needed player commitments must be canceled. Also, the minimum numbers of team players for each course are needed at all field clinic sessions or course is automatically canceled.

7. Saturday and Sunday lunches will be provided on site only for coaches, players and instructors staying for a course through the lunch hour.

8. Please see Training at www.aysoarea3t.org for updates.

The Coach Super Camps are listed in chronological order below.
